Homily

2023! Once again New Year is here to shine on earth. The Church celebrates the 1st day of the year as the solemnity of Mary the Mother of God, and special world Peace day. We remember Mary as the Mother of God and ask her help us to serve God truly and be with God in year 2023.

'Mary is the Mother of God' is the one of the doctrine of the Church and same time Jesus who was born as a human is God as well. This doctrine that God is born among us through Mary is God's amazing way of becoming a man.

This doctrine denounces the theory of adoption, which states that Jesus is just a human but later elevate to Godhead which is a heresy that Jesus is the 2nd and lower God not equal to God the Creator. God loves the world so much that he sends His Only Son to save the world, so He chose Mary to carry saving mission. This is the doctrine of Mary the Mother of God. Mary with the Holy Spirit conceives and gives birth to God.

All blessings come from God, and man cannot create blessings. When we follow the will of God then a life of blessing is possible. Today's reading is from the book of Numbers and it says "The LORD said to Moses: Speak to Aaron and his sons and tell them: This is how you shall

bless the Israelites. Say to them: The LORD blesses you and keeps you! The LORD let his face shine upon you, and be gracious to you! The LORD looks upon you kindly and give you peace! So shall they invoke my name upon the Israelites, and I will bless them." Invoking the name of the Lord, seeing the face of the Lord and remaining with the Lord is the beginning of blessings.

Jesus is the very source of our blessings, since we qualify for becoming children of God through Jesus. It is because we can have God as Abba and our Father with Jesus. When we can follow Jesus who is the Son of God, we can have God as Abba and our Father like Jesus. Then, we are no longer servants but children of God and heirs to God. This is the blessing of God! Likewise by calling the name of the Lord, we come to live as the children of God.

Mary gives birth to Jesus in us, who are the very blessing itself. Mary is the delivery of God's blessing. She is the deliverers God's blessings to us. It is because the One who Mary delivers is God. Therefore Mary becomes the Mother of God.

There is the reason why we revere Mary most. She brings God to us, the blessings of God, and the peace of God. She helps Jesus be born among us. She delivers God to the world. Those who deliver God to the world can deliver peace to the world also. Mary is the true delivery of peace. She delivers God to the world for the true peace of the world.

Beginning this new year, we need to pray for the peace of the world and ask to become the deliveries of God to the world like Mary. We need to pray for God to become Abba and our true Father with Jesus. We need the spirit of Jesus to be alive in us. Then, we can become the children of God and have Mary as our true Mother. We need to keep in mind that the children of Mary are the children of God and the true workers of God for peace.

Peace Prayer of Saint Francis

Lord, make me an instrument of your peace:
 where there is hatred, let me sow love;
 where there is injury, pardon;
 where there is doubt, faith;
 where there is despair, hope;
 where there is darkness, light;
 where there is sadness, joy.

O divine Master, grant that I may not so much seek to be consoled as to console, to be understood as to understand, to be loved as to love. For it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life. Amen.
